Revision Challenge

Get your kit off if you want to do some revision!!

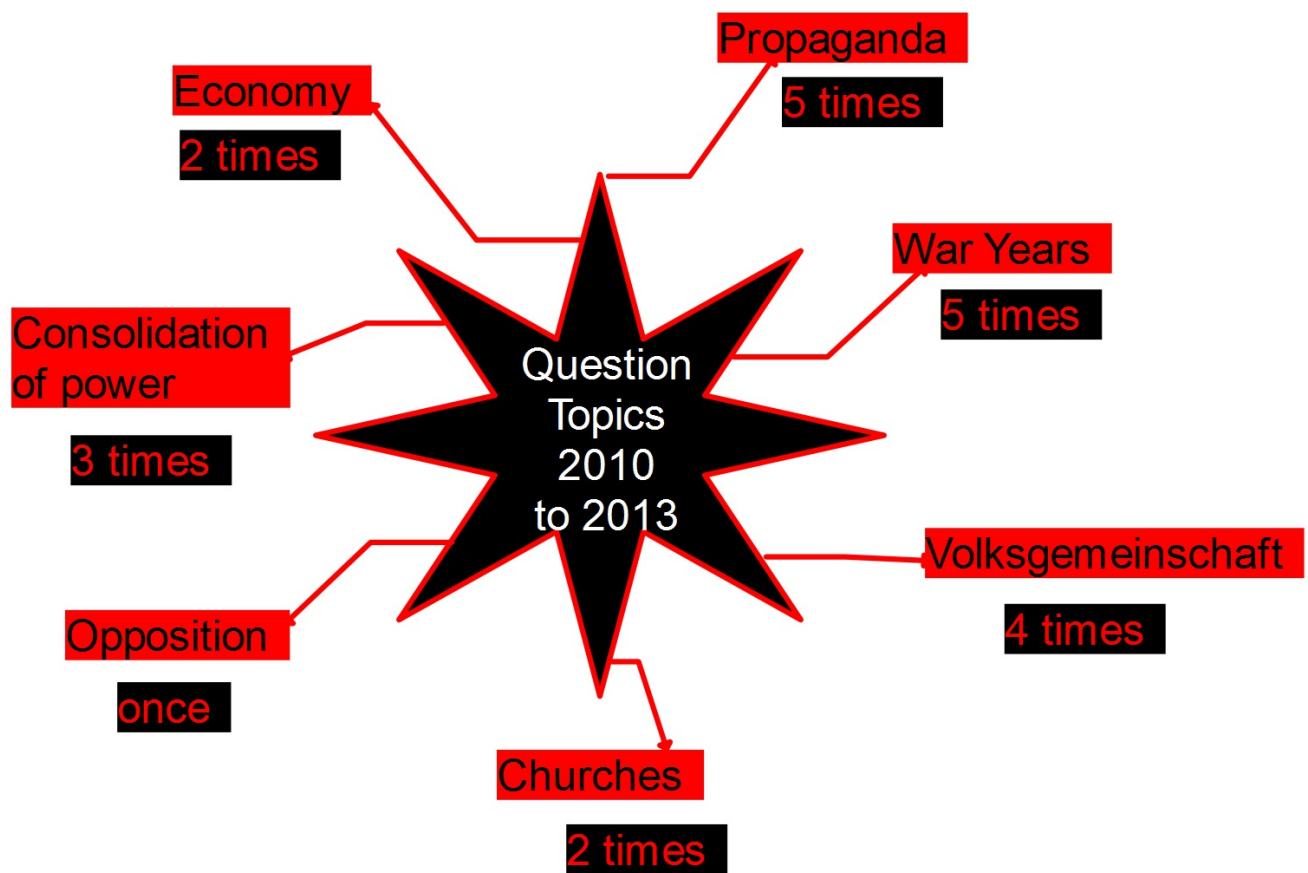

Who wants to revise for the Fuhrer?

Oooo we do, we do!

So if you were a betting
man Walker...

I would say that Churches might appear
or Opposition to the regime, maybe the
economy and consolidation of power
as they have appeared that much
recently...

But equally War, Propaganda and Volksgemeinschaft seem
like popular choices....

So who knows!

The Question of War -

We have not covered the war years in Germany 1939 -45.
Questions about the war period have appeared 57% of the time since Jan 2010.

You have to answer two questions from a choice of three.

War has been one of the three 57% of the time.

So do we try and cover it instead of revising what we have already done?

Take a risk that you have only have 2 questions to choose from out of three?

Have me give you a ready made booklet to revise from?

Mein Challenge

In groups you will focus on one topic and produce a revision pack to support answering questions on that topic.

Include:

- Notes which are annotated using colour to show key ideas or phrases.
- Quotes - which will support views expressed as part of the answer.
- Historians - useful quotes from historians to support views - provide historical perspective.
- Symbols - good visual reminders.
- Key words - to provide technical language and reminders that summarise key ideas.
- Mind maps - use text and pictures.
- Flash cards.
- Acrostics.

Put together in a booklet
which has a front cover.

The best ones will have questions, quizzes
and model answers in them.
